

Action Plan

Looking Back...Looking Forward...Moving Forward

Northern Gateway
Public Schools

May 2022

Harry Gray Elementary
Principal: Bonnie Countryman

Action Plan Goal #1

Celebrations: Teachers have a wealth of knowledge and skills and utilize a variety of instructional strategies to support student learning.

Connection: With the new curriculum, teachers will utilize intentional planning and responsive instruction so learners are literate and numerate.

Process : These are the Specific Strategies used to meet your objectives

Authentic Application: This is where the measurements, and timelines are outlined

Reflection : This is where the data is outlined and analysis of how the process is working.

Teachers will do a comparison of the English Language Arts & Literature (ELAL) and Mathematics current curriculum to the new curriculum .

By the end of the year teachers will be knowledgeable and implementing the the new learning outcomes in English Language Arts & Literature (ELAL) and Mathematics, Physical Education and Wellness.

Teachers work with divisional supported literacy and numeracy coaches.

The division will support three days of literacy and numeracy coaches. Literacy will have a focus on writing and numeracy on number sense.

Collaborative Team Meetings will help identify needs of students in literacy, numeracy and social-emotional skills. A focus will be on strategies for teachers to utilize in their classrooms.

There will be a minimum of six Collaborative Team Meetings throughout the year.

Division supported professional development on Jump Math program.

Collaborative planning time throughout the year to incorporate the Jump Math program into their instructional practises.

Action Plan Goal #2

Celebrations: School staff are committed to supporting student and staff wellness

Connection: Enhance school wellness to form a solid base to promote a positive school culture.

Process : These are the Specific Strategies used to meet your objectives	Authentic Application: This is where the measurements, and timelines are outlined	Reflection : This is where the data is outlined and analysis of how the process is working.
Supporting student wellness through the establishment of a Mental Health Capacity Building project.	In coordination with division office, by the end of the 2022/2023 school year we will have a Mental Health Capacity Building project supporting our three schools.	
Support school community wellness	Students(throughout the year): <ul style="list-style-type: none"> ● Reinstatement of previous school spirit days/activities pre COVID ● Reinstatement of community engagement activities ● Do cross school activities with OAP and HHS Staff (throughout the year): <ul style="list-style-type: none"> ● Reinstatement of Staff activities like: staff potlucks, birthdays, and wellness activities 	
Staff Wellness as we move towards a K-12 school	Throughout the 2022/2023 school year the three schools will come together for portions of each PD days to get to know each other on a personal and professional level.
